In House Worship News

Worship will be held online only on Jan 24th.

On Jan 19, we moved into **Phase 4, Tier One**. This means that churches are recommended but not required to limit regular worship and all other gatherings to 25 people or 25% of the room capacity, whichever is smaller. Masks will need to be worn and social distance will still apply. Bulletins will be placed on the pews to help with distancing. Holy Communion is back! We will have the church cleaned for you to return to in-house worship. Stay Tuned for a return date...

Stay Blessed, Stay Safe and Stay Connected!

Neighbors to Neighbors Funding

We had a surplus of funding after our summer projects last year, so when a local family needed a ramp built for medical purposes, our Administrated Council approved the use of the funds. Troy Jamison is leading the project.

Here's a little bit about the family...Both Benni and Virginia Bucannon have health issues. However, Virginia was recently diagnosed with stage 4 pancreatic cancer. They have been struggling getting Virginia in and out of the house in her weakened state without a ramp.

— John Wesley

"Do all the good you can,
 By all the means you can,
 In all the ways you can,
 In all the places you can,
 At all the times you can,
 To all the people you can,
 As long as ever you can."
